Nextdoor

Hi Alron Construction, LLC,

Congratulations! Neighbors in Cocoa chose you!

You've been named a **2026 Fave Award Winner in the General Contractor category.** Every vote came from a real, verified neighbor. Someone who knows your work, trusts your business, and wants others to discover you. You can't apply for this award or buy it. You earned it.

Being a Fave is good for business.
79% of Nextdoor neighbors say they're more likely to shop at a business they know is a Fave winner. Fave winners also get 38X more views on their Nextdoor Business Page*. Check out your Business Page to see your new Winner's trophy, already live.

Show off your win.
Put the enclosed sticker where everyone will see it: your window, your counter, your van. It's proof of what your fans already know: locals vouch for this business.

Spread the word about your award.
Scan the QR code below for your free winner's kit. It includes social graphics, a digital sticker that can be put on your website or emails, and a press release template.
Tag @Nextdoor and use #FaveAwards2026 when you share.

Thank you for doing the kind of work that makes neighbors want to vouch for and recommend you. That's what this is really about.

Nirav Tolia
Co-Founder and CEO, Nextdoor

P.S. Say thanks to your neighbors. A quick post thanking the people who voted for you takes two minutes and goes a long way. It's the kind of thing neighbors remember and is even better with a photo of you and your Winner's Sticker! Use **#FaveAwards2026** so we can amplify it.
